

zing Needles... now available at www.allkraftz.com

Greetings from AllKraftz!

With the winters making a slow entry....we're sure you already have some great projects on your needles and hooks, and are already contemplating what to make next. Well, we plan to spice up your knitting this December by adding colour, spark and excitement to your needles! Gone are the days when aluminium needles were considered mundane and humdrum. Presenting the **ZING**, aluminium knitting needles which are not even close to being monotonous and dull. With lustrous metallic shades, specific to different sizes, beautiful silver tips, and a finish so perfect...these needles are sure to become the style statement of the judicious spender.

Not only this, we have some lovely ideas for Christmas crafting, beautiful creations that would inspire you to create something pretty. Check out our [Pinterest Board on Christmas Crafting...](#)

In case you're running out of time to make and gift Christmas Decorations, we have some cute little Christmas Ornaments, carefully crocheted by our team of crafters. Read on to find out more....
